

ABOUT THE SEMINAR TRAINER, JUDY BREUKER

Judy Breuker is the founder and president of Medical Education Services, LLC, which offers customized coding, —documentation, and compliance seminars for physicians and their staffs—as well as coding consulting and chart auditing for every type and size of medical practice. She

is the former president of Medical Reimbursement Services, Inc., a comprehensive multi-specialty medical billing firm, which she founded in 1995 and grew to 15 employees

With an unparalleled ability to understand and convey coding and reimbursement related issues, Judy has trained thousands of healthcare providers and their coding support staffs nationwide. She has conducted several hundred seminars and is a featured presenter at national conferences. She and her associates are committed to offering services characterized by integrity, personal service, efficiency, and accuracy.

A champion of excellence in her industry, Judy has served on national advisory boards for the American Academy of Professional Coders, Board of Medical Specialty Coding, and the American College of Medical Coding Specialists, and has been appointed to the PMCC “Teach the Teacher” Advisory Board by the AAPC. She co-founded West Michigan Medical Billers and served as its co-chair for 12 years.

In addition to all these accomplishments, Judy has also served as a technical adviser for Elsevier Publishing in the development of the industry’s preeminent text, *The Evaluation and Management Step – An Auditing Tool*.

Judy is a certified professional coder, certified coding specialist – physician based, a certified health-care billing and management executive, certified advanced coding specialist, certified physician coder, and is certified in E/M coding. In April 2005 Judy was named 2004 Coder of the Year by the American Academy of Professional Coders.
