When It's Okay to **Break** the Rules

As a member of the Institute for Healthcare Improvement (IHI) Leadership Alliance, NPO is participating in "Breaking the Rules for Better Care" week on January 11th -15th, 2016

To view the existing system through new eyes, for ONE WEEK we are encouraging our members to answer this question:

"If you had a magic wand, what is one wish you would make to help you to provide better care for patients?" (BREAK A RULE if that's what it would take...)

PLEASE SHARE YOUR WISH WITH NPO by emailing it to bpataky@npoinc.org

Break a rule... you KNOW you want to!

Make Your Wishes Known in 2016

In the new year, we encourage you and your loved ones to review any medical directive you may have. If you do not have one, please make it a priority for 2016. Your wishes cannot be honored if they are not known. The Advance Care Planning Department at Munson Medical Center will be holding **free** quarterly workshops to help assist in starting the conversation and completing an advance medical directive for 2016.

The 2016 Workshops:

Wednesday March 9th 10am - 12p.

Location: Health Info Meeting Room at MMC

Wednesday June 8th 10am - 12pm

Location: Dining Room 4 in MMC cafeteria

Wednesday September 7th 10am - 12pm

Location: Health Info Room at MMC

Customer Advisory

eClinicalWorks has published an advisory to help you make the best use of the EHR, workflows you should implement, and configurations you should enable/disable to ensure patient safety is at the forefront.

The advisory is posted [here](#), along with a brief user survey to help refine this process in the future

MI Standard Health Consent Form

This is just a reminder that you may begin receiving a standard behavioral health consent form from other facilities or providers, or CMH's on behalf of patients. We want to clarify that this consent does NOT override or replace any existing HIPPA consent forms, nor does it replace or modify any existing registry or HIE (health information exchange) consents. For additional information on the behavioral consent form, please
