

NEWS & NOTES FROM NPO

NORTHERN
PHYSICIANS
ORGANIZATION

April 16, 2015

We're giving you a last chance... and extending the deadline.

We want you to get lucky.

With a new deadline of 4/23, that's an extra 48 hours to win big. Again, the current Trivia Question is relative to the film "Population Management Using a Registry", and this time involves Dr. Vollbrecht's part in the trilogy, which begins at 17:42 into the film.

After watching Dr. Vollbrecht's performance, please send your answer to this question:

Dr. Vollbrecht uses the Registry for Population Management. *"Why does she think proper coding is important for Diabetes with Complications?"*

to Bryanna at bpataky@npoinc.org before April 23rd.

As always, correct answers received before the deadline will be entered in a drawing to win a \$50 downtown gift certificate for either Traverse City, Manistee, or Petoskey!

The luck of the draw could be yours (all ya gotta do is play)

THERE IS STILL TIME TO SIGN UP!

NPO is offering FREE coding classes for Primary Care Physicians and Primary Care Office Staff/Billers/Practice Managers. The PCP classes are 4/29 6-8 pm and 4/30 6-8pm with dinner provided. FREE ONLINE CEU's FOR YOUR PHYSICIANS!

Last month, NPO sent to your physicians information regarding Choosing Wisely webinars available on the MSMS website so that they could earn CEUs at no cost to them as an NPO member. Codes to access the webinars were included in the mailing. The NPO Quality Committee physicians asked for these webinars to be developed and provided to NPO physicians; we hope your physicians are finding the webinars useful and informative. If you have any questions about the webinars or need the access codes, please just give us a call.
