Presentation	<p>Our presenters today were Jen Dontz, Mike Weidenaar, and James Morisette from Merck Pharmaceuticals. They discussed Diabetic Education using non-branded educational resources. They went over the booklet “Know Your ABC’s” and the tear-sheets “Diabetes and Your Feet”, “Diabetes and Your Eyes”, and “Diabetes and Your Kidneys”.</p>			
	<p>Discussion revolved around patients not knowing the disease process and all the effects. 30% of patients with any diagnosis do not fill prescriptions given by their providers, and that number jumps to 50% for diabetic patients.</p>
