These calls are for NPO members only.

M-CEITA will answer the question or research and follow-up as necessary. If you can't make the call, you can email your question to NPO in advance (kelliott@npoinc.org), and it will be included. Within a few days after the call, NPO will make available on the NPO website a written summary of the call.

M-CEITA is a non-profit funded by the Department of Health and Human Services (HHS) and Michigan Department of Community Health (MDHC). M-CEITA works with Michigan providers to accelerate the selection, adoption, and meaningful use of health information technology to improve the quality and efficiency of care delivered in our state.

Four calls are scheduled currently at different times, to attempt to accommodate the majority of schedules.

- July 17, Thursday 4 pm
- July 30, Wednesday Noon
- August 13, Wednesday 4 pm
- August 28, Thursday Noon

We will use an AT&T dial-in line for the first call while we estimate how many practices will participate. Dial-in information is: 1-888-808-6929, Meeting ID 1836510. Call schedules and dial-in information will also be posted on the NPO website.

We will incorporate your comments and feedback to refine the call schedule and format.

Please bring your questions to the call, and again, if you cannot make the call, please email your question to NPO.

Looking forward to hearing your first round of questions next week, July 17th at 4 pm!

Enjoy your summer..
