ICD-10-CM TRAINING!

NPO is excited to once again bring Judy Breuker, CPC, CPMA, CDIP, CCS-P, CHC, CHCA, CEMC, AHIMA-Approved ICD-10-CM/PCS Trainer and President of Medical Education Services, LLC to lead a one day class focusing on the guidelines and principles on ICD-10-CM.

The training is ideal for administrators, clinical staff, physicians, front office, ancillary staff and others needing to understand the essential guidelines of ICD-10, but who are not directly involved in day-to-day coding responsibilities.

We are holding this one day class twice, on both Wednesday September 10 and Thursday September 11, in order to have more people be able to participate. The cost of this class will be \$160. Please let us know as soon as possible if you are interested, so that we can book the venue. Thank you!
