Presentation	The presentation for this month's meeting was Jennifer Cameron, RN, MSN, Certified Nurse Midwife, the newest provider associated with West Shore Medical Center-Physician Services, OB/GYN Rural Health Clinic.			
	Jennifer discussed her training as a CNM and how it differs from a midwife doing home births. She brings with her extensive experience in low to moderate risk pregnancies as well as female healthcare.			
	Midwife means "with women", so Jennifer discussed that the way she practices is as a partnership with the patient, and is very family centered.			
	Special areas of interest include womens' health, abuse and sexual abuse survivors, teenagers, post-partum depression, pregnancy loss and bereavement. She prides herself in giving anticipatory guidelines during all her prenatal visits, so that all questions and concerns are answered.			
	Referral can be made through the WSMC-PS OB/GYN office at 231-398-1550.			
Adjourn	The meeting was adjourned at 1:00 p.m.
