NEW OFFICES!

Adaptive Counseling and Case Management ([click here for brochure](#)) now has office space to accommodate seeing patients outside of physician practices. If you have someone who is struggling to control their illness, or perhaps they are just ignoring their condition in the hopes it will go away, we can help them address the barriers that are interfering with their ability to better control their health. After discussing a referral with the patient, [click here for referral form](#) , or call Kevin at (231) 715-8466. Kevin will then contact the patient to set up an appointment.
