1. Meaningful Use Support

2. Guidelines and Principles of ICD-10-CM (2 sessions available)

1. Just a reminder: M-CEITA is available to support your practice with Meaningful Use support all the way through to attestation. They also assist with EMR selection and workflow design if your practice is moving from paper to an EMR.

A flyer of their services is available (please see attachment [click here](#)).

Many local practices have utilized M-CEITA's support with Meaningful Use attestation. These practices have all been very pleased with the result.

M-CEITA's services are either free (some PCP's) or at a very low cost .

You may contact them directly with the number on the attached flyer or via a local contact:
