

NEWS & NOTES FROM NPO

NORTHERN
PHYSICIANS
ORGANIZATION

1. 2015 Priority PIP Program News

2. Eye Exam Reporting

Priority has, *with very little notice*, given NPO members (practice staff and physicians) an opportunity to meet with Priority staff to discuss the 2015 Partners in Performance Program. The date is *Thursday, May 15, 2014*. The time choices are either 12pm - 1pm, or 4:30pm -5:30pm. We realize that this is short notice, but it is an opportunity to meet with the Priority staff who help design and administer the PIP program. If you are interested in attending, please RSVP by calling NPO offices at (231) 421-8505. Let us know which session and whether you plan to attend in person or via dial-in webinar. (*If attending via webinar, we will send the contact information to you once you have RSVP'd.)

Primary Care Providers must report on retinal and glaucoma eye exam results. It is helpful if they receive the needed information from all eye care providers in a consistent manner. To communicate this need and to facilitate reporting, Dr. Peter Sneed sent the following letter and form to all eye care providers in the NPO Service area.

Please read Dr. Sneed's letter [here](#) and the attached form [here](#).

We're gettin' there...

As always, if you have any questions or concerns, please feel free to contact us!
