Presentation	This month's presenter was Hollee Roush, Community Health Coordinator			
	Holley discussed the Choose to be Well Campaign that provides information on choosing between healthy and less healthy meals and snacks.			
	Holley discussed the Prescription for Exercise that Munson Healthcare providers give to patients. This gives patients 5 free visits to the Health Connection and is customized to patients' needs. Clarification was given after the meeting that outside providers can also give patients the Prescription for Exercise.			
	Holley showed a display that is called Rethink your drink. The display had different drinks on it with how much sugar was in each one.			
	Holley concluded with time for questions			
Adjourn	The meeting was adjourned at 12:50 p.m.
