

NPO Practice Workgroup Afterhours Call Solution:

FAQ and Answers

UPDATE 7/18/2019: - All Service Message Center:

All Service Message Center (ASMC) is a locally owned and operated business serving West Michigan's finest business and business professionals messaging needs. All Service Message Center is extending the lowest possible pricing structure offered to Metro Health in Grand Rapids to NPO practices who elect not to use the Connect on Call solution. There are additional volume discounts available to practices from our region based on the number of providers electing to participate with this solution as you will see from the review below.

Alternative Call Center Solution: All Service Message Center (ASMC)

NPO-CIN relationship with University of Michigan Health - Metro Health in Grand Rapids is providing significant discounts by being factored into the volume discounts provided to Metro Health practices.
