

# Advance Directive

## *Durable Power of Attorney for Healthcare (Patient Advocate Designation)*

### Introduction

---

This document provides a way for an individual to create a Durable Power of Attorney for Healthcare (Patient Advocate Designation) and other documentation that will meet the basic requirements for this state.

This **Advance Directive** allows you to appoint a person (and alternates) to make your health care decisions if you become unable to make these decisions for yourself. The person you appoint is called your **Patient Advocate**. This document gives your Patient Advocate authority to make your decisions *only when you have been determined unable to make your own decisions by two physicians, or a physician and a licensed psychologist*.

It *does not* give your Patient Advocate any authority to make your financial or other business decisions.

Before completing this document, take time to read it carefully. **It also is very important that you discuss your views, your values, and this document with your Patient Advocate.** If you do not closely involve your Patient Advocate, and you do not make a clear plan together, your views and values may not be fully respected because they will not be understood.

This document was developed to meet the legal requirements of Michigan. It is not designed to replace the counsel of your attorney.
