

S0257 Charting Information

Shared from another NPO practice regarding Medicare Annual Wellness Visit and use of S0257 advanced Care Planning code; PCMH User Group 11/30/23.

AWV Note, Under Preventive Medicine/ Discuss:

End of Life Planning: You have an Advance Medical Directive at home, please bring in a copy to your next office visit., Recommend updating every decade, after a death of a love one, after a divorce, after a decline in function, or a new diagnosis.

AWV Note, Under Medicare Wellness

Do you have an Advance Medical Directive or someone appointed to make your medical decisions if you were unable to make them for yourself?
Yes It is at home but not on file here or at the hospital
Would you like to talk with someone about any of the answers you gave today? *No*

Note in chart is related to Advanced Medical Directive (AMD) or Five wishes conversation.
