Abby Wilson, M.D.

Key Topics

- Artificial Intelligence (AI) in Medicine
- Improvements to Office Flow
- Provider Tips and Tricks

AI: Artificial Intelligence

- In 2023, 38% of physicians used AI.
- In 2026, over 80% of physicians now use AI.
- In addition to independent AI applications and software options, eCW has embedded many AI features to streamline work flow for everyone in the office.
- ****To utilize all the AI features within eCW, you'll need version 12.0.2 or later and you will need to activate your AI module options or speak with your eCW representative.**

Front Office AI

- Front Office Assistant - allowing staff to easily “find appointment”, “block schedule”
- Insurance Assistant - allowing for rapid insurance verification and insurance code uploads
- Visit Summary Assistant - conversion of visit summary in one language to another language
- healow Genie - AI powered assistant to help streamline communication, manage appointments, provide 24/7 support to patients

healow Genie

Reliable Resolution for Every Patient Interaction

From the moment a patient reaches out to your practice, healow Genie is ready to help.

Answers common patient questions instantly

Schedules, confirms, cancels, or reschedules appointments

Handles billing inquiries and accepts payments

Processes requests for prescription refills or referrals

Routes complex issues to an expert on your staff

Eliminates voicemail backlogs

- Item Key 4003

The screenshot displays the eClinicalWorks interface for a patient named Kelsey Millsee. The top navigation bar includes the eClinicalWorks logo and various utility icons. The patient's profile information is shown, including name, age, sex, address, and contact details. Below this, there are tabs for different medical history sections: Medical Summary, CDSS, Rx, Labs, DI, Procedures, Growth Chart, Imm, and T.Inj. A row of action buttons includes Progress Note, Scribe, Orders, and h Insights. The patient's demographic information is summarized in a light blue bar: MILLSEE, Kelsey, Jan 1, 1981 (42 yo F), Acc. No. 9879820. Below this, detailed patient information is provided: Patient: Millsee, Kelsey, Preferred Name: Kel, DOB: 01/01/1981, Age: 42 Y, Sex: Female, Phone: 811-110-1111, Primary Insurance: BCBS, Payer ID: 64222, Address: 1 One Street, Onesquare, NY-01111, Account Number: 9879820, Encounter Date: 09/14/2023, Provider: Sam Willis, MD Test, Appointment Facility: Foxborough Medical Practice. The 'Subjective' section is visible, with a button labeled 'Verify Histories' and an information icon 'i'. A red arrow points to this button. Below the button, the 'Chief Complaint(s)' are listed as 'new pt - yearly exam'.

Automated Registry

The screenshot displays a software interface for an automated registry. At the top, a blue header contains the word "Registry" with a dropdown arrow. Below this is a horizontal menu of tabs: "Registry Assistant" (highlighted with a purple box), "Demographics", "Vitals", "Labs/DI/Procedure", "ICD", "CPT", "RX", "Chief Complaints", "Medical History", and "Imaging".

The main area is titled "Conversational Search" and features a large text input field containing the question: "Which patients has Dr. Willis seen in the last year?". To the right of the input field are a microphone icon, a "Clear" button, and an "Interpret" button.

Below the input field, a blue banner contains a warning icon and the text: "Ensure the vitals and medication jobs are up-to-date on their respective tabs so that the Registry can fetch the latest data." Below this banner, a note states: "Note: The Registry will only return results for patients with encounters." followed by an information icon.

Eva AI Videos **10** FAQs **6** User Manual **10**

To view a fax, follow these steps:

1. Open the fax inbox or fax log screen.
2. Search for the specific fax you want to view.
3. Click on the fax document to select it.
4. Look for an option to view or open the fax document.
5. Click on the view or open option.
6. A preview window should appear, displaying the fax document.
7. Use any navigation buttons or scrollbars to view all pages of the fax document.

Note: The exact steps may vary depending on the specific software or platform you are using to view faxes.
